

INFORMATION PURSUANT TO ART. 13 REGULATION (EU) 2016/679 ON THE PROTECTION OF PERSONAL DATA

Dear Client /Supplier/Partner,

pursuant to art. 13 of the Regulation (EU) 2016/679 (hereinafter "Regulation"), we inform you that the processing of personal data you have already communicated or which will be provided in the future, even orally, as a "data subject" (hereinafter "Data Subject") and essentially referable to company name, headquarters, VAT number, tax code, bank references, telephone number, e-mail coordinates, will be processed in compliance with the Regulation and with the obligations of confidentiality, correctness, lawfulness and transparency.

1. The Controller

Controller of the processing of personal data is Bereva S.r.l. with registered office in Via Vecchia, 18/C, 39040 Ora (BZ) CF P.IVA IT03042580211 duly represented by Mr. Davide Elardo in his capacity of legal representative (hereinafter the "Controller") and he will be reachable for the exercise of the Data Subjects' rights according to the applicable laws at his registered office or by email at info@bereva.it.

The Controller will keep this information constantly updated. The revision in the footer indicates the date on which this information was updated. It will also be the Controller's responsibility to make the updated information public, through the website <https://bereva.it/support/> or by making it available upon specific demand.

2. Purposes and legal basis of the processing.

Personal data are collected and processed according to the Regulation with the exclusive purpose of supplying the requested products and services and fulfilling all contractual obligations.

In particular, the data processing will be carried out for the following purposes:

- Follow up on contact and information requests and fulfill pre-contractual obligations such as, for example, for the formulation of estimates;
- Fulfill the contractual obligations relating to the products and/or services offered by the Controller, including but not limited to software downloads and updates;
- Fulfill the management and accounting, tax and administrative obligations originating from existing relationships with you;
- Fulfill the obligations established by law, by a regulation, by community legislation or by an order of the Authority;
- Communications to insurance companies and/or public bodies;
- Communications to banks and/or service companies for financial obligations connected to established employment relationships;
- Exercising the Data Subject rights, for example the right of defense, the management of disputes, contractual breaches, warnings, transactions, arbitrations, legal disputes, etc.

For the above-mentioned purposes the processing of personal data is necessary for compliance with a legal obligation and for the performance of a contract to which the Data Subject is party or in order to take steps at the request of the Data Subject prior to entering into that contract and aimed at, for instance, the formulation of estimates and offers. Therefore, the processing of your data does not require your express consent and any refusal to provide the data will make it impossible for the Data Controller to follow up on the legal relationship.

Moreover only upon specific and separate consent, the Controller will process your personal data for the following purposes:

- Consent subscription to the newsletter service provided by the Controller and any additional services you may request;
- Updates on all promotional and commercial initiatives, by sending advertising and/or promotional material;
- Completion of research, studies and analyzes to develop and improve the products and services offered by the Controller;
- Analysis of the perceived quality of the products and/or services offered by the Controller to maximize customer satisfaction;
- Send applications for university collaborations in research projects;
- Communication to third parties for organizational and contact needs

For the aforementioned purposes, the processing of data is optional and therefore, in case of refusal, there are no consequences other than the impossibility of implementing initiatives aimed at improving our service towards you, as well as keeping your information updated on developments of our offers.

It should be noted that the use of your e-mail coordinates, for the purpose of commercial and promotional information for the sale of products or services offered by the Controller, provided by you in the context of previous purchases of similar products and/or services, can take place, on the legal basis of legitimate interest, without your consent being necessary and subject to your refusal to process, which can be provided at any time.

3. Personal Data processing methods.

The processing of the data you provide is carried out both in paper and electronic and/or automated form in compliance with the provisions of art. 32 of the Regulation, by authorized subjects specifically appointed and in compliance with the provisions of Article 29 of the Regulation.

The processing of data referred to in this information does not involve any automated decision-making process.

INFORMATION PURSUANT TO ART. 13 REGULATION (EU) 2016/679 ON THE PROTECTION OF PERSONAL DATA

4. Security and confidentiality of personal Data

The Controller implements technical and organizational measures to guarantee the security, integrity, authenticity and confidentiality of personal data, ensuring that partners maintain a similar level of protection to their own, with regard to your personal data.

5. Duration of processing operations.

Personal data will be kept for the time strictly necessary to carry out the purposes described above and to fulfill the obligations established by law, and in any case for a period not exceeding ten years from the termination of the relationship for the purposes relating to the fulfillment of the obligations established by law and/or by the legitimate interests of the Controller.

6. Disclosure of personal data.

Without prejudice to the disclosure made in fulfillment of a legal obligation, regulation or community legislation and intra-group communications, the disclosure, even the simple consultation or making available of your personal data, can occur towards the following subjects :

- a. entities, oversight bodies, authorities or public institutions;
- b. any natural or legal person who provide specific services: data processing, logistic and postal services, customer satisfaction surveys, legal, administrative, tax and/or accounting consultancy, organization of trade fairs and communication events;
- c. associated and/or parent companies;
- d. commercial intermediaries, banks and credit institutions, financial intermediation companies, natural or legal person responsible for credit recovery, auditing and/or certification of financial statements and quality systems, independent collaborators of the Controller, authorized agents and distributors, guarantors and brokers .

The persons referred to in the previous points operate as Data Controllers, unless they have been expressly appointed as Data Processors.

7. Special categories of personal data.

According to articles 9 e 10 of the Regulation, you could give our organization data that can be classified as "special categories of personal data" and that is, data revealing "racial or ethnic origin, political opinions, religious or philosophical beliefs, or trade union membership, and the processing of genetic data, biometric data for the purpose of uniquely identifying a natural person, data concerning health or data concerning a natural person's sex life or sexual orientation shall be prohibited". These categories of data may be processed only with prior and explicit consent, expressed in writing.

8. Transfer of personal data to extra-Ue countries and guarantees.

Your personal data are kept: at the Controller, or on servers located within the European Union. In any case, it is understood that the Controller, if necessary for example for technical and/or organizational reasons, will have the right to move the servers even outside the EU. In this case, the Controller ensures from now on that the transfer of data outside the EU will take place in compliance with the applicable legal provisions, subject to the stipulation of the standard contractual clauses envisaged by the European Commission.

9. Data Subject rights.

With reference to the processing of personal data referred to in this information, the Data Subject is recognized at any time the right to:

- Right of access by the Data Subject (art. 15 of the Regulation);
- Right to rectification (art. 16 of the Regulation);
- Right to erasure (art. 17 of the Regulation);
- Right to restriction of processing (art. 18 of the Regulation);
- Right to data portability specifically the right to receive from the Controller the personal data in a structured, commonly used and machine-readable format in order to be able to transmit those data to another controller without limitation from the controller to which the personal data have been provided (art. 20 of the Regulation);
- Right to object (art. 21 of the Regulation);
- The right to withdraw his or her consent at any time without affecting the lawfulness of processing based on consent before its withdrawal(art. 7, par. 3 of the Regulation);
- The right to complaint in front of the personal data supervisory authority (art. 51 of the Regulation).
